MESA ACADEMIC AND ATHLETICS PROGRAM

What is MAAP? At Mesa, we want our student-athletes to excel on and off the field, and especially in the classroom. So we created our MAAP program, specially designed with the success of our student athletes in mind.

MAAP Provides Student Athletes with:

- **A Personal MAAP Counselor Just for Athletes**
- **Student-Athlete Progress Reports:** Student athletic progress is monitored by both the Mesa Athletic Department and the MAAP Counselor through Progress Reports. These progress reports are conducted two times during each semester to assure students are attending class and working towards completing their educational goals.
- **Recognition:** Student athlete achievement is recognized at the annual STAR Awards recognition event.
- **Opportunities and Help:** Your MAAP counselor will help you utilize free tutoring services, and use the student services on campus (i.e. Transfer Center, Career Center, Counseling and others). You are also highly encouraged to enroll in a Personal Growth course.

Take the Next Step! Make an Appointment to see the MAAP Counselor

Your first responsibility as a student is to make an appointment with the MAPP counselor. In order to book a: 30 or: 60 minute appointment you must have met the following criteria:

- Have filed an application to Mesa College and have a valid student ID number.
- Have taken the English and math assessment or have met this requirement (see the Mesa catalog).
- Have all post high-school transcripts and Advanced Placement (AP) exams on file and evaluated by SDCCD.

Now that that's done, you need to:

- Call Counseling (619-388-2672) or go to the Counseling Department (you may book an appointment no more than a week in advance).

The MAAP Mission Statement

The Mesa Academic and Athletics Program (MAAP) at San Diego Mesa College assists student-athletes in achieving their educational, career and personal goals. MAAP works with student-athletes to help them attain educational degree and meet eligibility requirements based on the California Community Colleges Athletic Association rules and regulations. Most importantly, MAAP helps students succeed in the classroom and the athletic arena.

Student Learning Outcomes

- Leadership Development & Involvement
- Community Service and Diversity Awareness
- Personal Health and Wellness
