

Mesa Information Technology Committee 16-17 Update

- 1 Technological Planning
- 2 Classroom Based Technology
- 3 Distance Learning
- 4 Campus Computing
- 5 Professional Learning & Training
- 6 Communication
- 7 Fiscal Resources for Technology

1

To improve the outcomes of the college community through the effective planning and use of existing and evolving technology

17-18 Highlight – Established plans for infrastructure and improved reliability of existing systems

18-19 Objectives – Planned obsolescence of aged systems and equipment

2

To integrate Appropriate and current technology into classroom-based instruction to increase access to information and learning

17-18 Highlight – Designed enhanced AV integral systems to existing learning areas

18-19 Objectives – Explore other methods for integrating newer technologies with enhanced learning flexibility

3

To support distance learning courses and programs designed to expand learning opportunities while maintaining standards and best practices

17-18 Highlight – Prioritize and continue to create Professional DE Learning Experiences

18-19 Objectives – Continue to build and expand DE support by focusing on Canvas

4

In collaboration with the District improve technology systems to increase institutional efficiencies and provide long-term support for campus computing needs

%,!%, Highlight – 7 cb jYfg]cb'hc'CZZ]WY'&\$%*' dfc [fYgg

%,!%- Objectives – 7 cbX i Wh'fYZfYg\#i dXUhY'cZ' Y a d`cmYY'Wc a d i h]b[workstations

5

To support professional learning and training programs with appropriate, current, and innovative technology

%,!%, Highlight – LOFT Team provided faculty & classified assistance via Online and in-person support

%,!%- Objectives – Assess faculty/staff training support

6

To create and maintain a formal communication structure that will comprehensively disseminate technology information to the college community

%,!%, Highlight – improvement to Website, templates, training for web and social media platforms to increase student engagement

%,!%- Objectives – Assessment of Campus Solutions once Go Live occurs for further linkage and opportunities

7

To create an ongoing process to articulate, plan and prioritize college technology needs to determine optimal funding

%,!%, Highlight – Technology upgrades incorporated into integrated planning and budget dev cycles and assessed annually

%,!%- Objectives – Investigate technologies that incorporate cost effective strategies
