

SAN DIEGO MESA COLLEGE

STEM CORE PROGRAM

2019-2020

Are you interested in pursuing a Science, Technology, Engineering or Math (STEM) degree, but think you're not ready or don't know where to start?

Join this one-year program to get Calculus ready, receive STEM Counseling and Student Support Specialist assistance, embedded tutoring, and STEM Internship support.

Program Benefits

- Go from Trigonometry to Calculus in one year
- Embedded math tutoring support
- Guest speakers and field trips to STEM companies
- Help with resumes, interviews, networking, etc.
- Opportunities to compete for summer internships
- Have fun and make friends!

Requirements

- Eligibility for BOTH of the following courses:
 - PERG 120 (College Success)
 - MATH 104 (Trigonometry)
- Interest in STEM
- Must commit to all program components

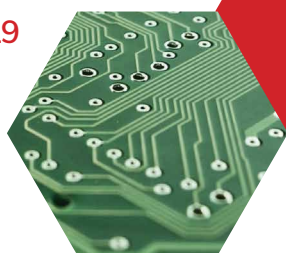

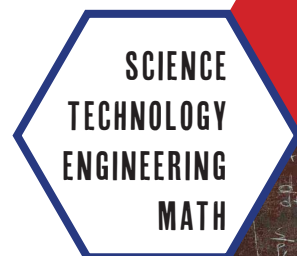

Applications are available at www.sdmesa.edu/stemcore

Priority acceptance deadline is **June 28th, 2019**

Pathway/Suggested Courses	
With Math Instructor Judy Wu and PERG Instructor Patricia Rodriguez	
FALL 2019	
MATH 104	- 3 units - 6 weeks (MTWTh 9:35AM-12PM)
MATH 141	- 5 units - 10 weeks (MTWTh 9:35AM - 12PM)
PERG 120	- 3 units - 16 weeks (F 9:00AM-12:10PM)
SPRING 2020	
MATH 150	- 5 units - 16 weeks

Students are required to enroll in specific course sections, and participate in career exploration (i.e., workshops, job fairs, job board account creation, field trips, one-on-one appointments) and/or other related workshops coordinated by the STEM Counselor and/or Internship Coordinator (minimum 4 activities per semester)

Upon completion of program requirements, students may be eligible for a paid summer internship with a STEM Core Employer / Sponsor or other regional employers
